Subpart C—Peer and Merit Review Arranged by Grantees

SOURCE: 64 FR 34104, June 24, 1999, unless otherwise noted.

§ 3400.20 Grantee review prior to award.

(a) *Review requirement.* Prior to the award of a standard or continuation grant by CSREES, any proposed project shall have undergone a review arranged by the grantee as specified in this subpart. For research projects, such review must be a scientific peer review conducted in accordance with § 3400.21. For education and extension projects, such review must be a merit review conducted in accordance with § 3400.22.

(b) *Credible and independent.* Review arranged by the grantee must provide for a credible and independent assessment of the proposed project. A credible review is one that provides an appraisal of technical quality and relevance sufficient for an organizational representative to make an informed judgment as to whether the proposal is appropriate for submission for Federal support. To provide for an independent review, such review may include USDA employees, but should not be conducted solely by USDA employees.
